

2020 World Sight Day

「網上學習，打機抗疫」危害學童眼睛健康

01

Early myopia management reduces the risks of high myopia degeneration, ocular complications and ultimately blindness.

02

Ensure proper cleaning of your orthok trial lenses

To rub or not to rub? - effective rigid contact lens cleaning
It is essential to rub RGP/Orthok when cleaning to ensure optimal lens hygiene for ocular health. Read more about it on our [hkaok website](http://hkaok.com)

03
